

SkillsUSA 2020

Dye Sublimation Technology at Midlands Technical College

The following events will be a part of the SkillsUSA event on March 20th, 2020

1. **Job Interview/ Oral Assessment/Resume*** - 20 minutes
 2. Written Test - 20 minutes
 3. File Set-up Preparation - 20 minutes
 4. Image Application Transfer - 20 minutes
- *New for this year's contest - be sure to bring your resume!**

We will be using Adobe CC Apps on Apple Computers for the contest so be familiar with the system and software.

The contest begins at 9:30am so plan to arrive no later than 8:30am for registration, etc. Each event lasts 20 minutes and there is a 10 minute break for cleanup in between each. Depending on the number of contestants, this contest should be completed by mid afternoon.

Depending on the final number of contestants or other unforeseen factors, the event times may need to be adjusted to facilitate a more efficient contest.
