The official name of this organization shall be South Carolina Association of SkillsUSA.

## **ARTICLE II. Purpose and Functions**

The South Carolina Association of SkillsUSA is a state organization of affiliated local chapters in schools having organized instruction in technical, skilled, and service careers, including health careers, in accordance with a charter granted by SkillsUSA, Inc. and the South Carolina Department of Education under the provisions of the State Plan for Career and Technical Education.

**Section 1.** The purposes of this organization are:

- To unite in a common bond without regard to race, color, gender, national origin, age, religion, creed, disability, sexual orientation, gender identity or gender expression, students who are enrolled in classes with career and technical, industrial, STEM and health science objectives.
- To provide leadership for the local school chapters.
- To provide a clearinghouse for information and activities.
- To provide statewide recognition and prestige through an association and affiliated organizations.
- To provide a vehicle, statewide in scope, for organizations to work articulately with career and technical, industrial, STEM and health science student groups.
- To develop leadership abilities through participation in educational, occupational, civic, recreational and social activities.
- To foster a deep respect for the dignity of work.
- To assist students in establishing realistic career goals.
- To help students attain a purposeful life.
- To create enthusiasm for learning.
- To promote high standards in career and technical ethics, workmanship, scholarship and safety.
- To develop the ability of students to plan together, organize and carry out worthy activities and projects through the use of the democratic process.
- To foster a wholesome understanding of the functions of labor and management organizations and a recognition of their mutual interdependence.
- To create among students, faculty members, patrons of the school and persons in industry a sincere interest in and esteem for career and technical, industrial, STEM and health science education.
- To develop patriotism through a knowledge of our nation's heritage.

**Section 2.** Functions

The functions of this organization shall be as follows:

- a. To act as an integral part of the organized instructional programs in CTE to qualify for assistance under state and federal career and technical education legislation.
- b. To build confidence in students and their work by developing desirable work habits and the effective use of time by learning to assume responsibilities and by developing personal and occupational competencies in communications, human relations and social abilities leading to intelligent choices of careers and successful employment.
- c. To foster programs and activities that will develop leadership, character, scholarship, occupational pride, and training for useful life. To foster programs that encourage members to improve the home and its surroundings. To develop and improve the community including its economic, environmental and human resources.
- d. To recognize individual achievements in scholarship and career opportunities for success in life.

**ARTICLE III. Organization**

**Section 1.** Charter

Active chapters of South Carolina Association of SkillsUSA for students enrolled in public middle, secondary and post-secondary schools programs shall be chartered only in such schools where recognized systematic instruction in technical, skilled and service careers including health careers are offered under provisions of the state plan for Career and Technical Education.

**Section 2.** Local Chapters

Members of local chapters shall meet, organize and adopt a local Constitution/Bylaws not to be in conflict with the state or the national Bylaws, elect officers, set up a program of activities, pay state and national dues, and then apply to the National Association. After this application has been approved by the state Board of Directors, the members of the local chapters may then be known as members of SkillsUSA.

1. A chapter of the South Carolina Association of SkillsUSA shall be organized by a school and may be composed of one or more sections as defined in the National SkillsUSA Leadership Handbook and which is approved to operate and is designated as a CTE course by the State Department of Education (SDE).

2. Charters will be issued to a school by the South Carolina Association of SkillsUSA State Director upon receipt of:
  - a. A properly executed petition which clearly establishes the eligibility of the group, and
  - b. State and National SkillsUSA dues for all members listed on the roster as verified by SkillsUSA, Inc.
3. One local chapter may be operated in each middle, secondary and post-secondary education institution functioning under a principal, center director, or where one or more technical, skilled and service careers including health careers courses are offered. This does not preclude two institutions joining together to form one chapter.

**Section 3.** Post-secondary Chapters

Post-secondary chapters may be established in two- or four-year institutions where technology, technical, skilled and service careers, including health careers courses, are offered. Membership shall be open to students enrolled in technology, technical, skilled and service courses, including health education courses, which are offered. Such chapters shall be primarily designed for training their members in the knowledge and skill of their profession, and they can assist in advising and maintaining local secondary SkillsUSA chapters.

Each post-secondary chapter shall be chartered and maintained under the authority of this association. All activities of the post-secondary SkillsUSA chapter shall be in harmony with the purposes, principles, and ideas of the SkillsUSA organization.

## **ARTICLE IV. Membership**
